SUMMARY

Recent Bachelor of Information Technology graduate from UiTM with academic projects and internship experience in maintaining and troubleshooting enterprise applications, REST API integration and SQL optimization. Working knowledge of Python, Java and JavaScript and familiar with Git, Docker, and both SQL and NoSQL databases. Holds the Google AI Professional Certificate and is keen to deepen Python skills through frameworks such as Flask or Django. A detail oriented and adaptable learner who works well independently and with teammates.

WORK EXPERIENCE

NOC Trainee (K-Youth Programme), Sedania Innovator Berhad **June 2026 - Oct 2026**

- Monitored network performance and bandwidth to prevent downtime.
- Set up hardware and Microsoft 365 accounts for onboarding staff.
- Resolved internal IT and email security whitelisting issues.
- Developing an IP cross checking platform for automated data validation.
- Diagnosed and fixed bugs in an existing platform using PHP, Laravel, and Docker.

Web Developer Intern, Isianpadu Systems SDN BHD **Sep 2025 - Dec 2025**

- Maintained and supported FinEprocurementPlus enterprise procurement system used by UITM Shah Alam.
- Diagnosed and resolved backend–frontend integration issues involving REST APIs, improving data synchronization reliability.
- Optimized SQL queries to improve data retrieval efficiency and reduce page loading delays.
- Conducted functional testing and validation across multiple system modules
- Collaborated with developers to troubleshoot system performance issues and improve response time.

IT Assistant Intern, United Vehicles Industries SDN BHD **Oct 2021 - Mar 2022**

- Provided technical troubleshooting and IT support for internal users
- Assisted in managing user access control and permissions for enterprise systems
- Supported installation and configuration of internal software systems
- Resolved basic hardware and software issues to maintain operational productivity

SKILLS

- **Programming**: Java, JavaScript, Python, PHP, C++, HTML, CSS, CSS3
- **Databases:** MySQL, PostgreSQL, Firebase
- **Frameworks & Libraries**: Laravel, Spring MVC, Flutter, Node.js, React
- **Tools & Platforms**: Docker, Android Studio, Visual Studio Code, Git, Figma, Canva, Tableau, Power BI Desktop, Microsoft Excel (Data Analysis, Pivot Tables)
- **Concepts:** OOP, MVC Architecture, System Testing, Debugging, Software Maintenance, RESTful APIs, Software development, Design, Implementation
- **Soft Skills:** Teamwork and Collaboration, Adaptability, Problem-Solving, Creativity and Innovation, Time Management

EDUCATION

Bachelor's in Information Technology (Hons.) **2022 - 2026**
UNIVERSITY TECHNOLOGY MARA (UITM) CAWANGAN KELANTAN
CGPA: 3.55

Diploma in Information Technology (Digital Technology) **2019 - 2022**
POLITEKNIK SULTAN IDRIS SHAH SABAK BERNAM, SELANGOR
CGPA: 3.82

LANGUAGES

- Malay | Native or Bilingual | Native Speaker
- English | Professional | Proficiency

FINAL YEAR PROJECT

SCIENCEGENIUS WITH AUGMENTED REALITY

- Develop e-learning and practicing system for year 6 in science subject.
- Help students get information with Augmented Reality (AR) technology.
- Improved learning interactivity compared to traditional textbook-based methods.

SMARTSTOCKER: INVENTORY MANAGEMENT SYSTEM USING QR CODE

- Developed a mobile inventory management application using Java and Android Studio to streamline in store stock checking processes.
- Implemented QR code scanning for fast product lookup and stock verification.
- Integrated Firebase real time database for live inventory updates.
- Designed system to reduce manual stock-checking time by 40–50%.

CERTIFICATIONS

- Google Data Analytics Professional Certificate
- Deloitte Data Analytics Job Simulation
- Google AI Professional Certificate

ACHIEVEMENT AND AWARDS

- Achieved recognition in the entrepreneurship competition @ PSIS
- Awarded Dean's List in Dec 2019, June 2020, Dec 2020, Short Semester 2021 @ PSIS
- Awarded Dean's List in Jan 2024, July 2024, Feb 2025, July 2025 @ UiTM

ACTIVITIES & INVOLVEMENT

- Participated in Young Preneur Innovation Competition (YPIC 1/2020) @ PSIS
- Participated as Facilitator in Junior Rocket Tech Exploration 2024 @ UITM
- Participated as members of Information Technology Academic Club (ITCOMM) @ UITM
- Completed end to end flutter training @ Isianpadu Systems SDN BHD
